SPORTS 67

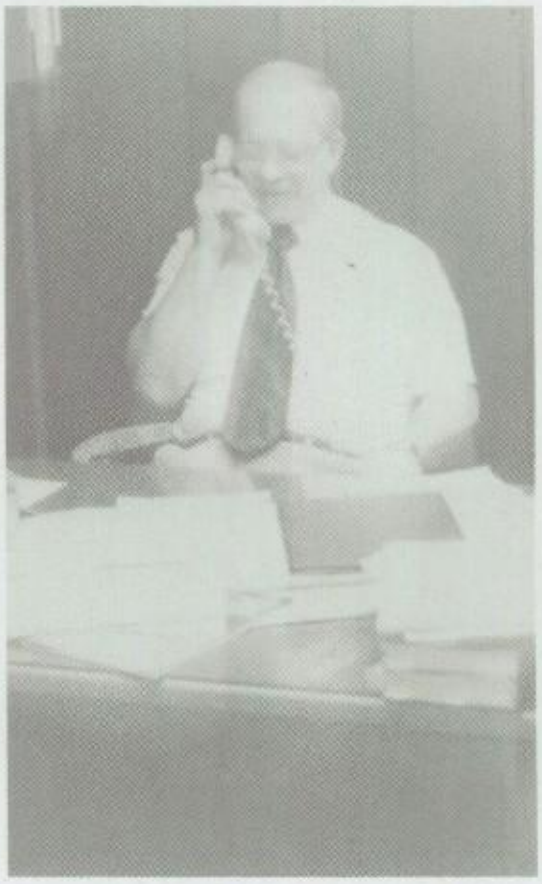
The Nineteen Hundred and Seventy Nine yearbook staff has chosen to dedicate this year's edition of the Warrenton Warrior yearbook to Mr. Ernie Moon for his expert and conscientious service to Warrenton High School. He was one of the most caring and professional members of the teaching staff. He was an instructor in the Industrial Arts department. It was through his expert training of students that several were able to acquire State of Oregon certification in welding, the only program of this type in a high school in the entire state. When he leaves at the end of this year, he will be greatly missed for his professional abilities and above all caring personality.

ADMINISTRATION HAS BUSY YEAR

There were some changes on the school board this year. John Davis resigned from his post and was replaced by Gene Karna. Nellie Hansen also resigned, but as of this writing a replacement hadn't been found. Bill Fague retired after many years of service to the district as Business Manager.

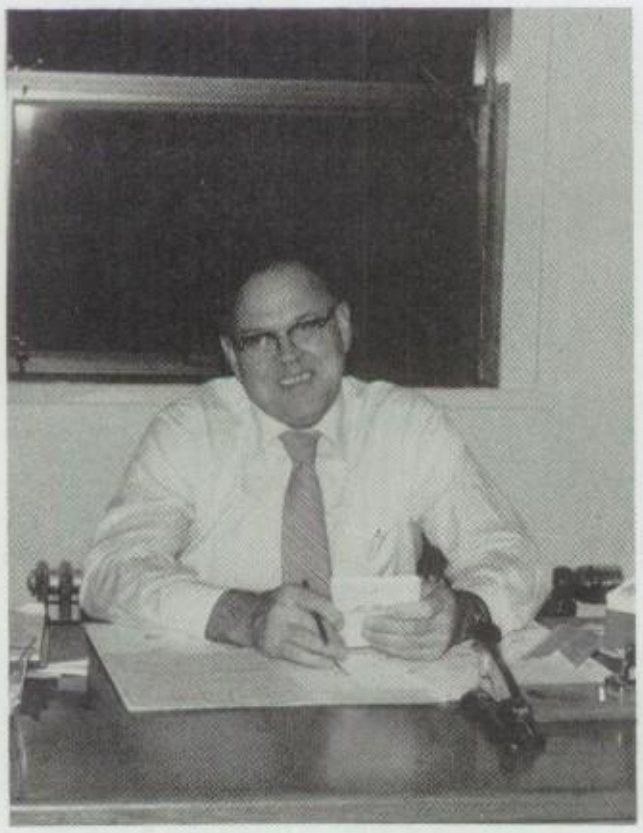
There was a new attendance policy that was put into effect. After a student received three unexcused tardies to class, he or she had to serve one hour detention after school was out. The year was highlighted by the district voters passing a proposal for a new grade school which will be ready for the 1980-81 school year.

Vice Principal Mr. Cole made sure everyone made it to class on time.

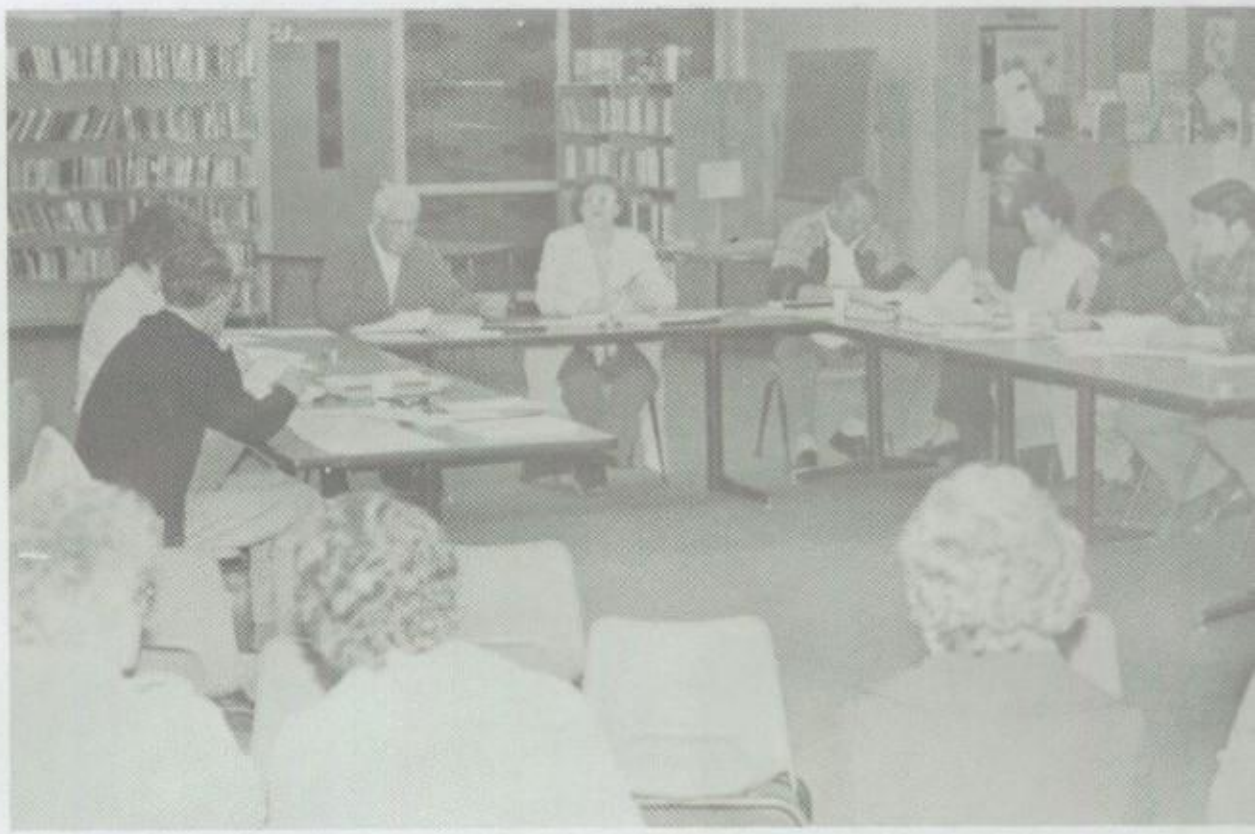


Mr. McCoy supervised a very hectic and busy year.

Mr. Fague performed an excellent job as bookkeeper.



Principal Mr. Johnson provided direction for students and teachers.



School Board; L to R: Bill Fague, Polly Hurd, Don Shaw, Carolyn Shepherd, Keith Dyer, Helen Falleur, Donna Hitchman, Gene Karna.

SECRETARIES

The Secretaries had a good year even with a lot of problems that happen during the year. Sally Smotherman and Barb Balensifer were the secretaries for the high school. Polly Hurd and Darlene Coffey are the district secretaries in Fort Stevens. Barb and Sally did have a lot of help with a bunch of aids this year. If you would have walked into the office most of the time just the aids worked while Sally and Barb drank coffee.

Upper left shows Barb Balensifer taking a message for Warrenton High School. Sally Smotherman stops work for a minute as she gets her picture taken. Polly Hurd is all awake for her picture. Student Aid Melody Hendrickson is a little shy. Darlene Coffey doesn't know quite what to do.

Mr. Feletar has come back with more eager to help the students. He teaches special education.

VITAL SERVICES

WHS started this school year with four cooks in the school lunchroom. These included Betty Brim, Vi Kimbrough, Vanida Fuller, and Karin Johnson. They have since added Beverly Azevedo. The cooks all did a fine job of serving the school a balanced meal every day.

The janitors included Bonnie Beatty, Frank Azevedo, and Adolph Reirson. Mr. Reirson has since retired after putting in many fine years at this high school.

he school nurse this year was Sharon Vaughn. She came in every Tuesday to help students with their problems and to stand by if an emergency occured. Her work has been greatly appreciated by all.

Right: Bonnie Beatty stops for a picture as she makes her daily rounds of the school.

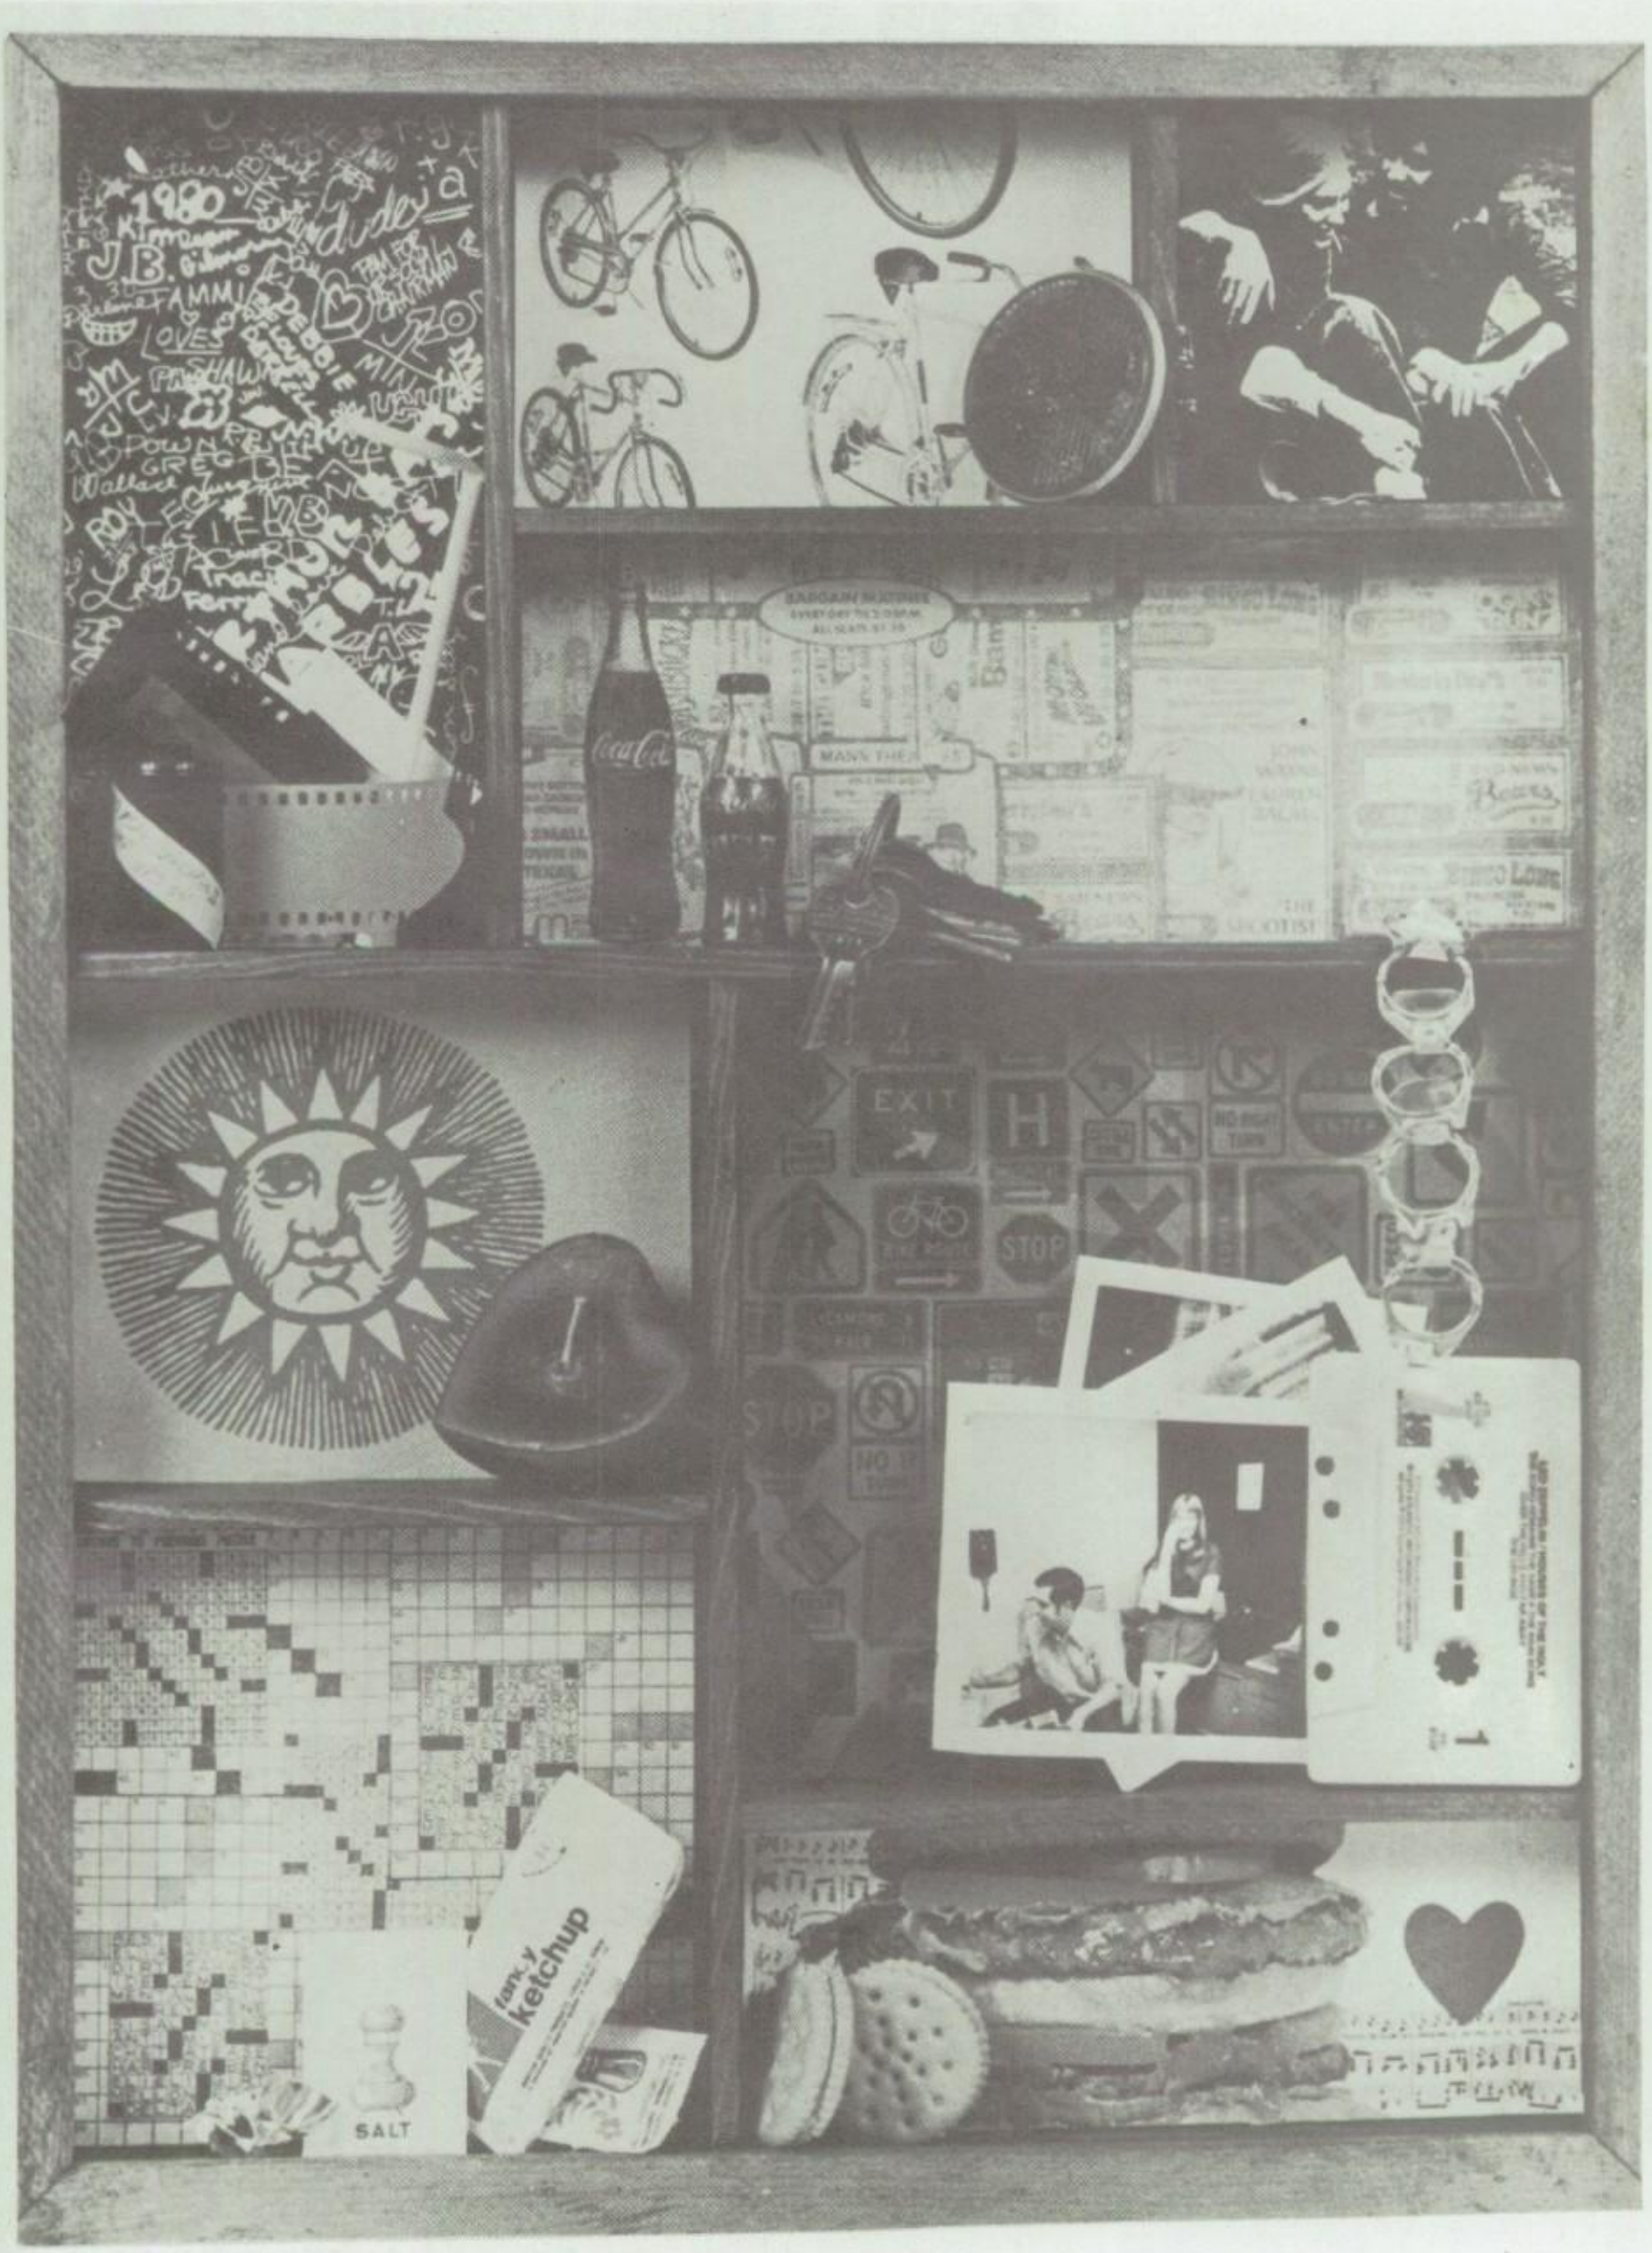
ACTIVITIES



ASSEMBLIES

This year's activities included many student assemblies. These were for a variety of reasons such as pep assemblies, choir performances, Homecoming, and student body meetings. Special assemblies included the elections, Honor Society initiation, and a film called ''Champions''.

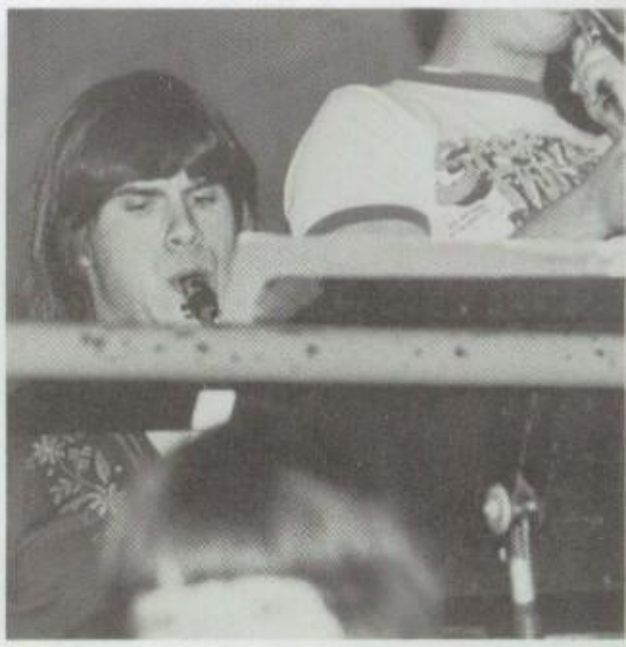
BAND



This band showed a great improvement this year. Under the steady conduction of band director, James Hansen, 37 students learned music.

The WHS band played at most home games, giving our community a chance to listen to their talent. This routine continued through the basketball season. They also gave us an extra bonus at pep assemblies.

Left to Right Bob Killion blows hard. Linda Haynie plays carefully. Don Adams and Bill Guindon concentrate on performance.
Bottom: WHS high school band in concert.
Center: And they say the pep assemblies aren't loud!

CHOIR ON THE GO

WHS is proud of their fine choir who gave students and parents the chance to hear their various young talent. With an energetic advisor, Mrs. Rupp, the choir made a tremendous effort to gain money for a Portland tour. They sponsored many entertaining activities, such as a bottle drive, carwash, and a dance which was deejayed by Mr. McRae.

WORLD HISTORY

MERRY CHRISTMAS

Christmas tree was decorated by girls league.

Snow came soon after Christmas to whiten the country side.

Each year the faculty of Warrenton High School put together a special Christmas play day for the student body. The day started off as the students assembled in the auditorium for a movie. The movie was selected from a wide choice of popular movies. This years movie was ''The Fortune''. During the intermission the faculty gave free popcorn to all students. It was their gift to the students.

After the movie, the students were allowed to attend a sock-hop or they could go to the library where there was a game area set up. The games ranged from scrabble to checkers.

Lunch was served to the students who stayed. The students were let out of school by one o'clock in the afternoon. At this time Christmas vacation began for the students.

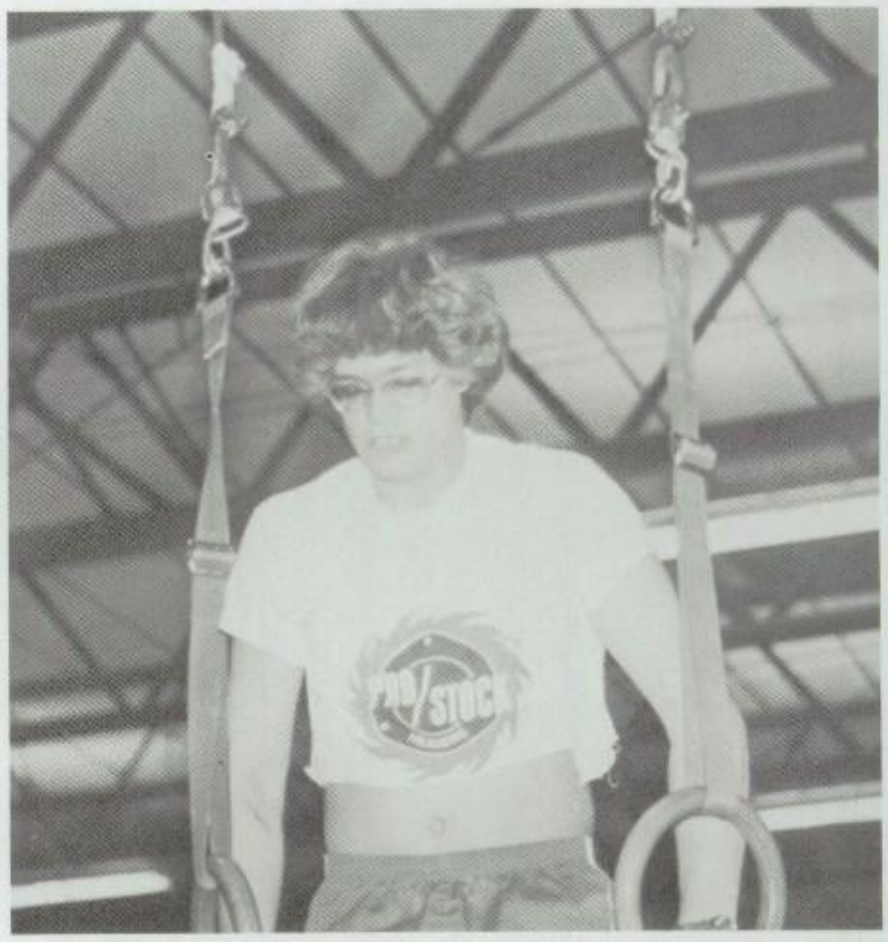
HOME ECONOMICS

The Home Ec department had a sewing contest this year for all interested students. Some students formed a sewing club. They did work like repairing sports uniforms for the athletic department. You might think they did not charge for their labor, but they did. At Christmas time the Foods I class had a dinner. They got to invite one person to share this dinner with them. Everyone participated in this event. This year the Home Ec department did not have a co-ed class. Instead they had a Clothing II and a Foods II. This year there was quite a few boys in these classes that worked as hard as the girls. These are some faces you would see in these classes.



CO-ED P.E.

Mr. Matilla and Mrs. Wallace took on a hardy group of Seniors and Juniors for Co-ed P.E. Some of the things the class did were Soccer, Speed-away, Volleyball, Basketball, Hockey, Gymnastics, Swimming, Tennis, Badminton and Softball. The class was formed for both sexes to participate together, this worked out in everything but Swimming as the girls didn't want to get their hair wet.

Bottom Picture shows standing Gilbert Morrison, Donny Adams, Robert Vollmer, Billy Johnson, James Beatty, Mark Carlson, Jim Hatcher, bottom Jon Bergerson, Chuck Rowland, Mark Sims and Mike Carruthers.

No fish was the cry from fish farm students for more than half the year. But after they got their fish they were under way. Two girls along with sixteen boys were the class. Reyne Falleur and Annette Birkholz were the girls who braved out the year. The boys are Donny Adams, James Beatty, Jon Bergerson, Adam Birkholz, Mark Carlson, Mike Carruthers, Mike Collier, Jeff Davis, Mike Falleur, Jim Hatcher, Billy Johnson, Gilbert Morrison, Mark Sims, Robert Vollmer and Mark ''Rugged'' Olsen.

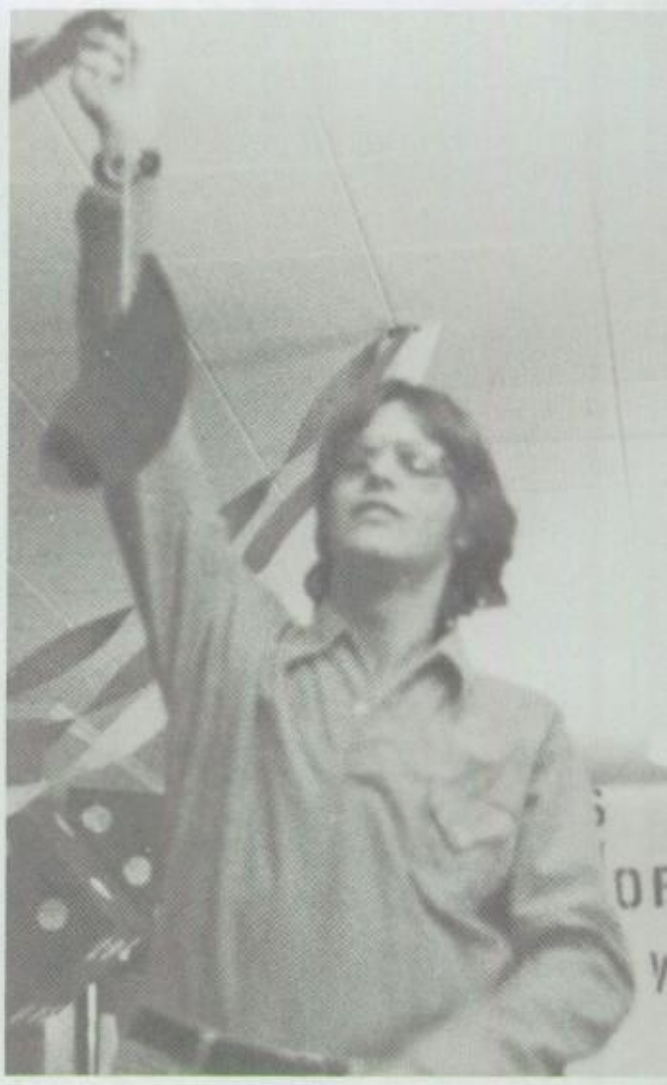
HOMECOMING STARTS LIKE BOMB

Scott Killion, Rick May, and Holly Mason work on hall.



Joe Zimmerman works on Senior hall.

The Homecoming court was Queen Cindy Rowland and Escort Billy Johnson, l to r: Escort Robert Vollmer, Princess DeeAnn McCoy, Escort Duane Hartman, Princess Robin Searle, Escort Tim Hurd, Princess Shelly Mason, Escort Scott Killion, Princess Valerie Hartman, Escort Russ Maize, Princess Deon May. The Queen was chosen by the student body. There were three princesses and her escort was chosen out of and by the senior class. The junior, sophomore, and freshman classes picked one girl out of their class to be a princess. They also picked one boy to be her escort.

Brad Curnow helps with the Junior hall decorations.

Even the teachers get into the act.

The Seniors end their skit leaving to the beat of the music.

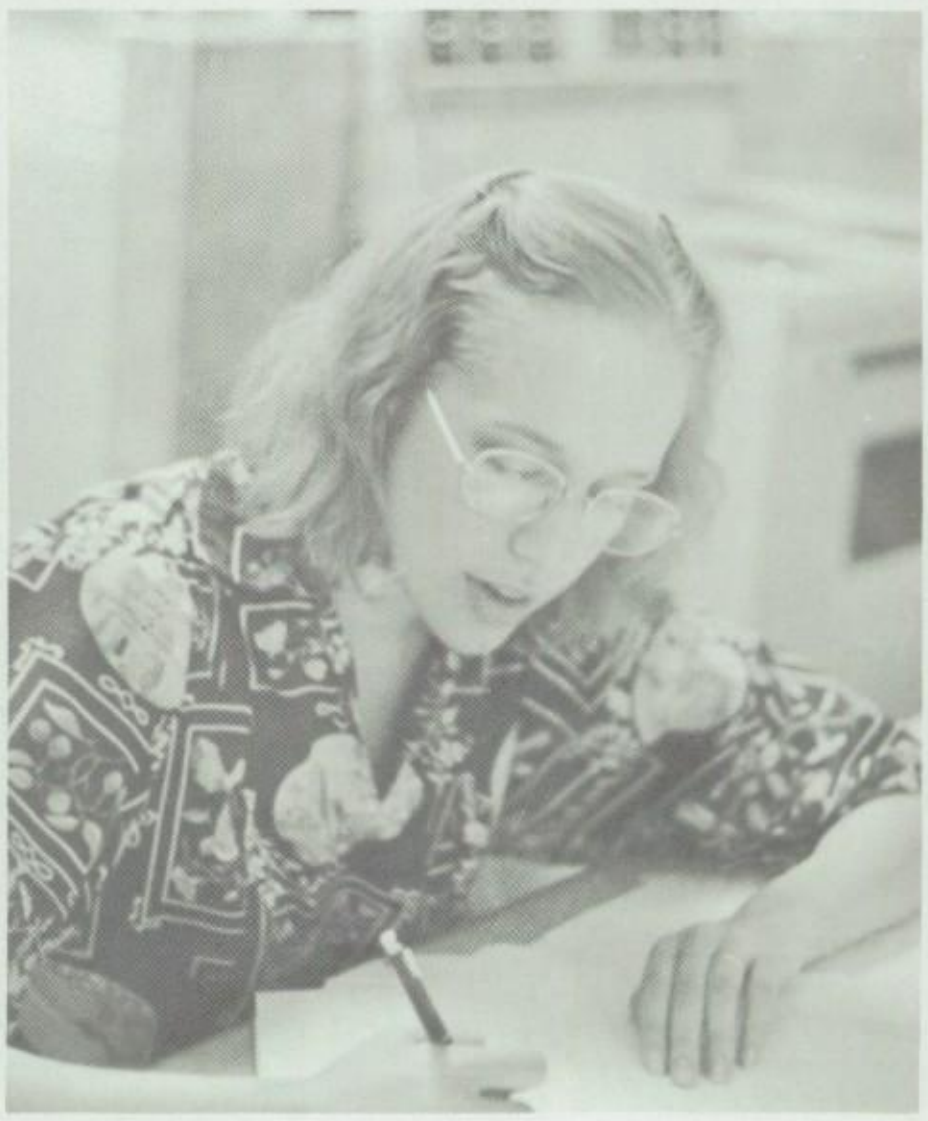
GIRLS' LEAGUE-MOTHER-DAUGHTER TEA

The Mother/Daughter Teas theme was ''Lets Go Hawaiian.'' Cindy Rowland welcomed everyone and fashions followed. Suzanna Killion played a rag time piano piece. Then came more of the fashions. Linda Haynie was one of the many models BELOW, After refreshments, the Maddox Dancers preformed. Then came fashions from the seamsters Union. Girls State Kathy Williams FAR LEFT, was the speaker. Cindy Rowland announced New Officers, Girls of the Month, Girl of the year. Barb Balensifer welcomed the Mother of the year. Cindy Rowland closed the tea.

Mrs. Ramey is the Girls League Adviser.



NATIONAL HONOR SOCIETY

This year's Honor Society is larger than last year's by two members. Eight new members were initiated in an all school assembly by officers Robin Searle, President, DeeAnn McCoy, Vice President, Colleen Cochran, Secretary, and Kathy Ostgard, Treasurer. New members include Mark Gagnon, Jeff Cheney, Kelly Smotherman, Annette Birkholtz, Jeannine Thompson, Brad Hendricson, Jon Cheney, and Bill Guindon.

MASONIC BANQUET

The annual Masonic Banquet was held on May 11 in the Warrenton High Activity Room. This dinner, sponsored by the Masons, is to give recognition to students who have maintained a GPA of 3.5 or higher throughout the entire year. There was an excellent turnout with each student having his or her dinner paid for by the member of the Masons who chose to be their sponsor.

The guest speaker was Mr. Roy Seeborg who gave an excellent speech after dinner was over. Then Worshipful Master Larry Cotter took over and presented the awards to the students. Finally the Benediction was given and the ceremony was over.

Aside from the certificates presented to the students one other award was given. This was the Ed Mowick Outstanding Student Award given to Bill Guindon. This is a yearly award which is voted on by the teachers.

OUTDOOR SCHOOL

Outdoor School was a great success this year even though it was a day camp. Eighteen high school students helped at the camp, as counselors. They all enjoyed themselves immensely, teaching various classes and teaching some sort of a recreation course as well. Classes offered to the kids were soil, erosion, map and compass, plants, animals, and survival. Recreations were photo, hiking, archery, riflery, arts, crafts, and fishing.

Middle-Lisa Wadsworth (middle) is found here posing with her new friends.

"ALMOST

''Almost Heaven'' was the theme for the Jr-Sr Prom. The dance was held at the Astoria Golf and Country Club. The Junior Class worked hard to get the preparations ready the night of May 15th. The tables were decorated with carnations.

Fable entertained the couples with favorite songs.

Crowning of the Prom Court also took place at the Country Club. It was a hard decision, but with the votes finally tallied, Robin Searle was crowned Queen with escourt Robert Killion; also Princesses Dianne Davis and escourt Greg Plummer, and Kay Hanna with escourt Marty Dawson.

HEAVEN"

Fable, a band from the Portland area, provided some outstanding music for the couples to dance to.

It appeared that everyone at the Prom enjoyed the dancing, food and music. It will surely be an event that will remain in the memories of all those who attended it, for many years to come...

WELDING AND CONSTRUCTION

Welding taught by Mr. Ernest Moon, was a class greatly enjoyed by the students. The student will train from 1-4 years to get their certificates. Some may even get the certificate by the end of 3 1/2 years.

STUDENT BODY ELECTIONS

The 1979-80 Student Body Officers have been elected into their new offices. Mark Carlson is taking over Bob Killion's role as Student Body President and Paul Rickles has relieved Greg Plummer from his duties as Vice President. The race for these two positions was close. It took a runoff election to get a majority vote for one of the contenders.

The remaining Student Body Officers won in the first election with the required two-thirds majority vote. Annette Birkholz has taken over the job as Secretary, Joyce Jensen is our new Assistant Treasurer, Brock Rickles is now our Sargent at Arms, and Kim Williams is Parliamentarian.

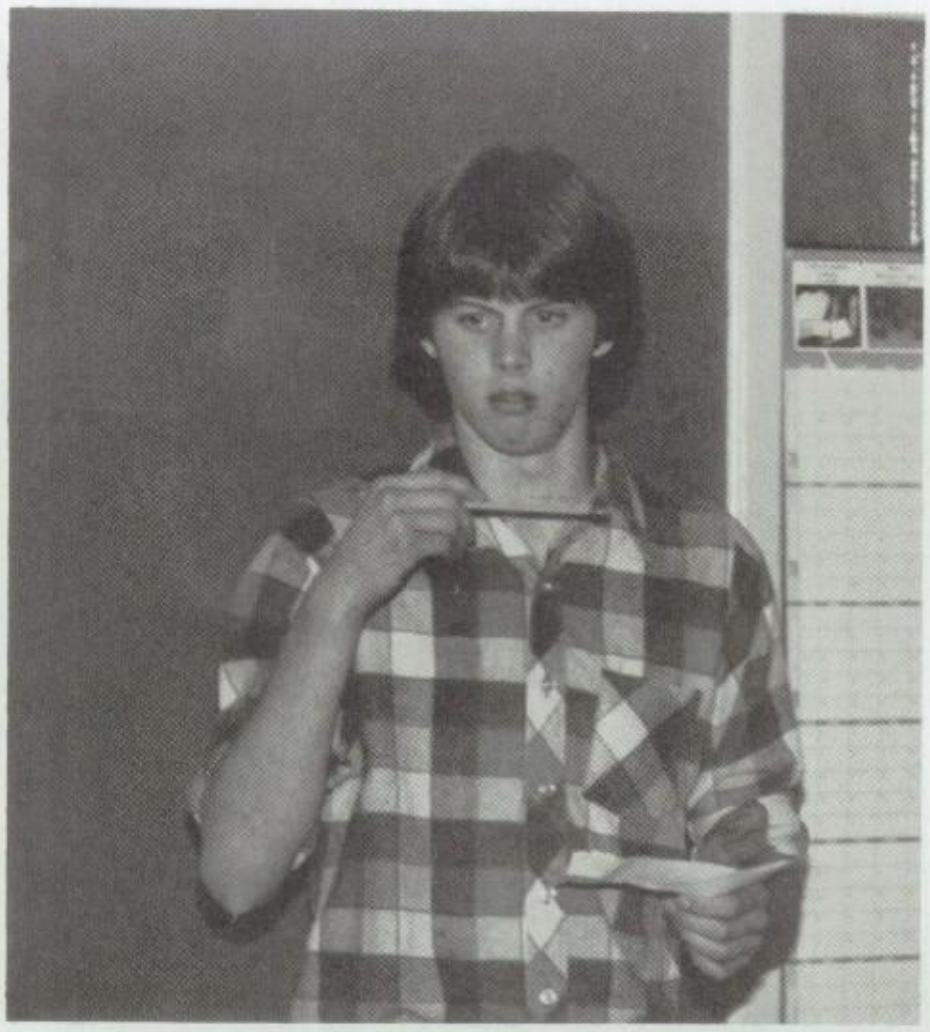
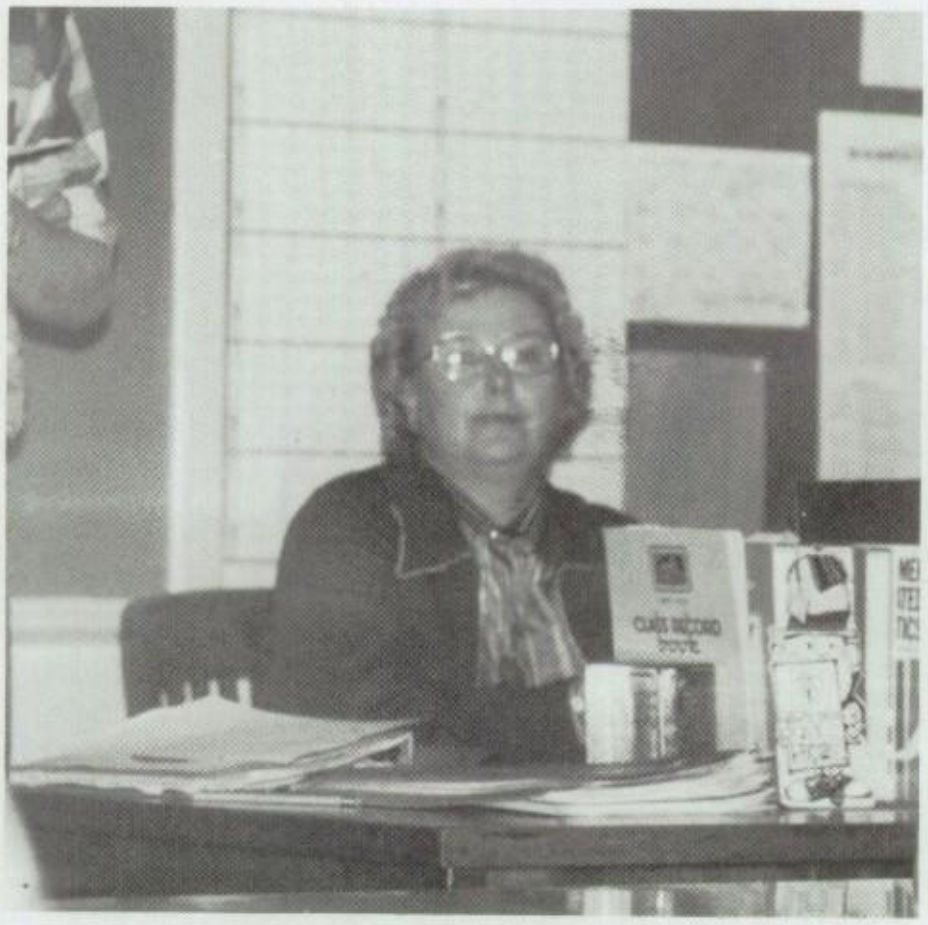
STUDENT



President Bob Killion discusses an activity request with the other student council members.



Mrs. Mosar missed the first six weeks of school with a broken leg and was replaced temporarily by Mr. Ridout as advisor. She was happy to get back and the students were happy to have her back.

Vice President Greg Plummer made sure the assemblies ran smoothly.

The 1978-79 Student Council worked well with the administration and proved to be leaders of tomorrow. Student Body President Bob Killion was an open- minded person and was willing to chat with anyone if they had any new ideas to bring up. Even though he didn't accomplish all that he had set out to do, he did a lot for the prestige of the school.

The student council borrowed a film for the students to view which was titled "Champions." It showed everyone how to be a winner at whatever they set out to do. It was hoped that through the film, the students would be able to develop leadership attitudes. Through this then, quality student councils would be built for the future.

COUNCIL

Karen Ostgard kept the books up to date.

Arlene Terhune worked closely with the president and kept efficient notes at the meetings.

Ginny Kadera helped Karen out to prepare for taking over as treasurer next year.

Robin served as a Senior Rep and Cindy was the Sergeant-at-Arms.

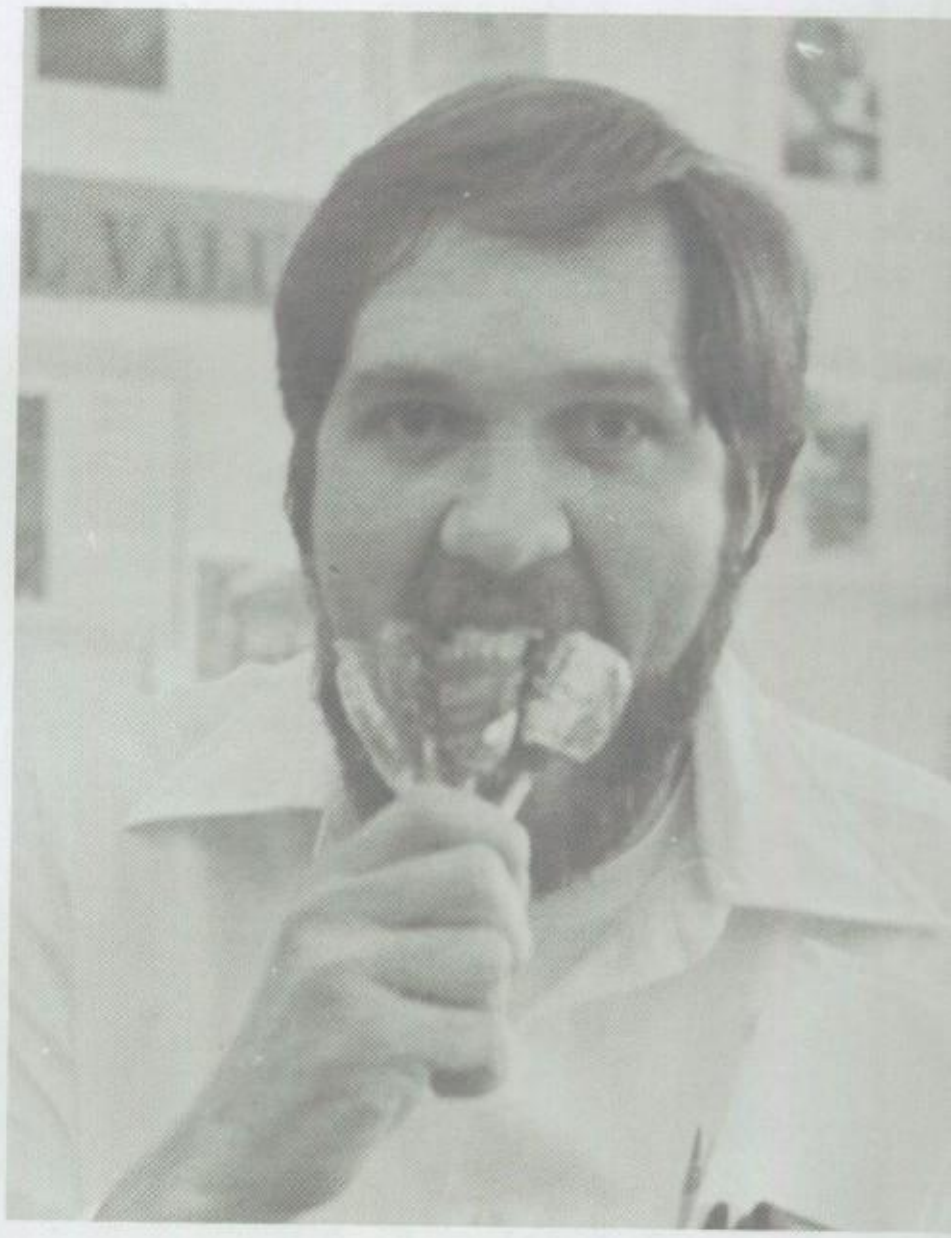
Colleen gives a toast to a successful year. She made sure the meetings ran smoothly.

YEARBOOK GETS OFF TO A SLOW START

The annual staff worked under a lot of pressure this year. Due to the loss of several advisors and the shifting around of staff members, there were no pages done before Christmas vacation. Finally, Mr. Filori came through and took over our faltering annual staff. Under his guidance, we picked up production and finally the project was completed.

The editor was senior Roland Johnson. Other staff members included James Nichols, Greg Plummer, Betty Stutznegger, Tim Hurd, Margaret Stutznegger, Mary Stratton, Pam Turnbull, Teresa Hudson, and Karen Ostgard.

A special thanks goes to Mr. Filori for helping us along and keeping us going.



Right: Mr. Filori takes his job very seriously. He does have a tendency to slip over the edge at times though. Below: The Annual staff. Standing: James Nichols, Greg Plummer, Tim Hurd, and editor Roland Johnson. Sitting: Pam Turnbull, Mary Stratton, Betty Stutznegger, Teresa Hudson, and Margaret Stutznegger.

JOURNALISM

The 1978-79 Journalism classes produced seven issues of the high school newspaper this year. The first class (lower left) put out the first three editions and the second group, pictured above the first, processed the last four.

There would have been more issues of the Sachem Chief if there would have been a steady teacher. It turned out the job changed hands six times during the year.

COED BOYS LEARN TO SWIM

This year the Coed PE class split up for three weeks. The girls stayed at school and played badminton while the boys travelled to Seaside and learned to swim. Here are some views of the swimming unit. Below: Mr. Matilla clowns around on the diving board. Below right: Mark Olson does a backward dive off of the springboard. The Sophomore Class of Eighty-One is a winning triumph! Although some classmates only stayed at W.H.S. briefly, we remember the ones who have left our group and welcome the new comers. From the beginning of September to the end of June, we carried out our roles as Sophomores. Students valued new friendships and trusts. We grew richer as a class, learned new work, and developed class and school spirit.

We the class of Nineteen Eighty-One will treasure our Sophomore year because of all the experiences we shared. We will always remember being the ruling class in personality. We didn't let upper classmen ruin our days, we became independent in handling our problems.

Mrs. York, as our Sophomore counselor helped us immensly. If we had any problems we could turn to her, always confident she would help us.

Our Sophomore year went too fast for most of us. We had a successful Homecoming and the halls were really fun to decorate. We will look forward to our Junior year, not sorry at all the first two years are over: while we're getting older, we're getting better!

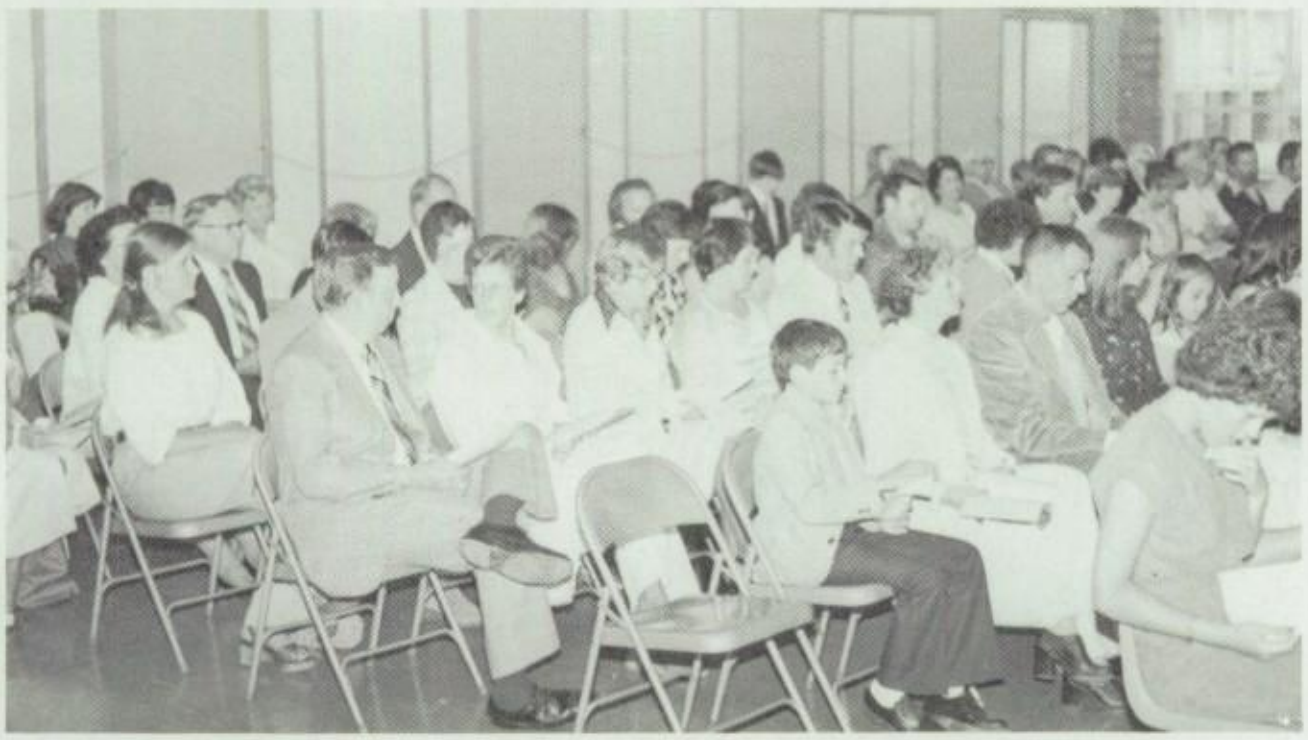
EXIT

BACCULAUREATE

On May 31, 1979 the Baccalaureate for the graduating class of 1979 was held. It was staged in the Activity Room and was a big success. The program began with the welcome by Rev. Dennis W. Sawyer. The Invocation was given by Rev. Jack Osborn and the prayer for Graduates was presented by Rev. Keith Mendenhall. Rev. Ken Jensen gave the scripture and the songleader was Rev. Ray Holland. The Benediction was given by Rev. Stan Wayne. The High School choir was directed by Shirley Rupp.



19 GRADUATION 79

The Warrenton High School graduating class of 1979 held their commencement exercises on the evening of June 1, 1979. Even though it was very warm inside from the hot weather, the graduation was a big success. Plants and flowers donated from Fenton's and the senior mothers, helped spruce up the gym. The theme for graduation was, "Where Do We Go From Here."

The Warrenton High School Band led the graduates in and out and played their own selection during the middle of the ceremonies. Reverend Dennis Sawyer of the Philadelphia Church gave the Invocation and Benediction. Robin Searle led in the Pledge of Allegiance and gave the Salutatory address while Stephen Salmi gave the Valedictory address. Dr. Richard Peterson, an Associate Professor of Biology at Portland State University and former Warrenton High graduate, gave the Commencement address. DeeAnn McCoy presented the Senior class gift and Roland Johnson presented the Senior class hall picture. Donald Shaw, chairman of the Board of Education, passed out the diplomas. It was a happy night, and the class of 1979 will be missed.

RALLY PROMOTES SPIRIT

The Varsity and J.V. rallies worked hard this year to promote spirit in our school. They attended all of the games and planned all pep assemblies. Varsity rally includes Sherry Holdiman, Debbie Warren, and Allyson Oakley. J.V. rally includes Brenda Strobel, Kim Williams, Sue Knispel and Kari Hurd.

JV'S REMAIN UNDEFEATED

The JV football team remained undefeated this season under the coaching of Gary McBride and John Monuto. They posted a perfect 8-0 record taking on all of the JV teams in league and many Cowapa league teams as well.

Coach McBride, after teaching at Sheridan, returned to his job here this year. Coach Monuto volunteered to help out the team in his spare time and became a permanent assistant coach.

Many of the JV plyers also filled in as varsity players when injuries occurred. Sophomore Kelly Nordlund filled in at quarterback when Marty Dawson was injured at Portland Christian. He went on to lead the Warriors to two victories in their last three games. The JV squad should be a valuable asset to the varsity team next year.

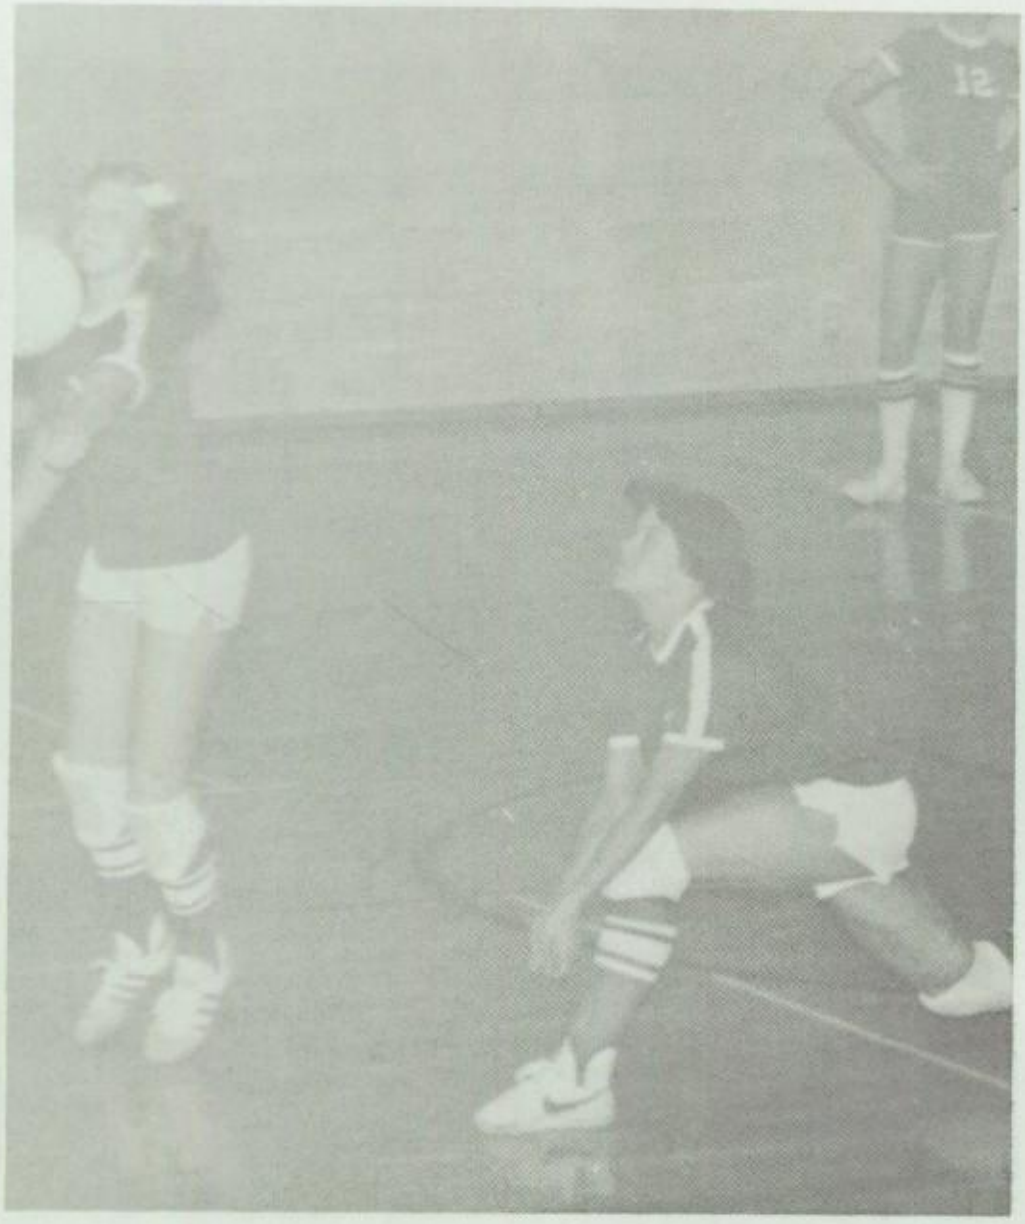
The 1978 girls volleyball team had their best year since the state championship of 1972 with a 14-1 record in regular season play. Under the leadership of Mrs. Wallace, they captured the district championship for the second straight year.

From there they easily defeated North Clackamas Christian at home and went on to the quarterfinals at Madison High in Portland. Then they got past Chiloquin and advanced to the semi-finals at Portland State University. Colton proved to be too strong there and the Warriors defeated Gaston in consolation for a well-deserved third place.

Warrenton took three of the six spots on the Northwest A League first team. Named were Dianne Davis, DeeAnn McCoy, and Cynthia Shepherd. Kay Hanna received an honorable mention. At the state tournament, DeeAnn McCoy and Dianne Davis were named to the all-state second team. Five seniors were lost from the team this year but enough people will be returning to make a fairly good team next year.



Cynthia makes a good dig as Dianne moves in to bump.

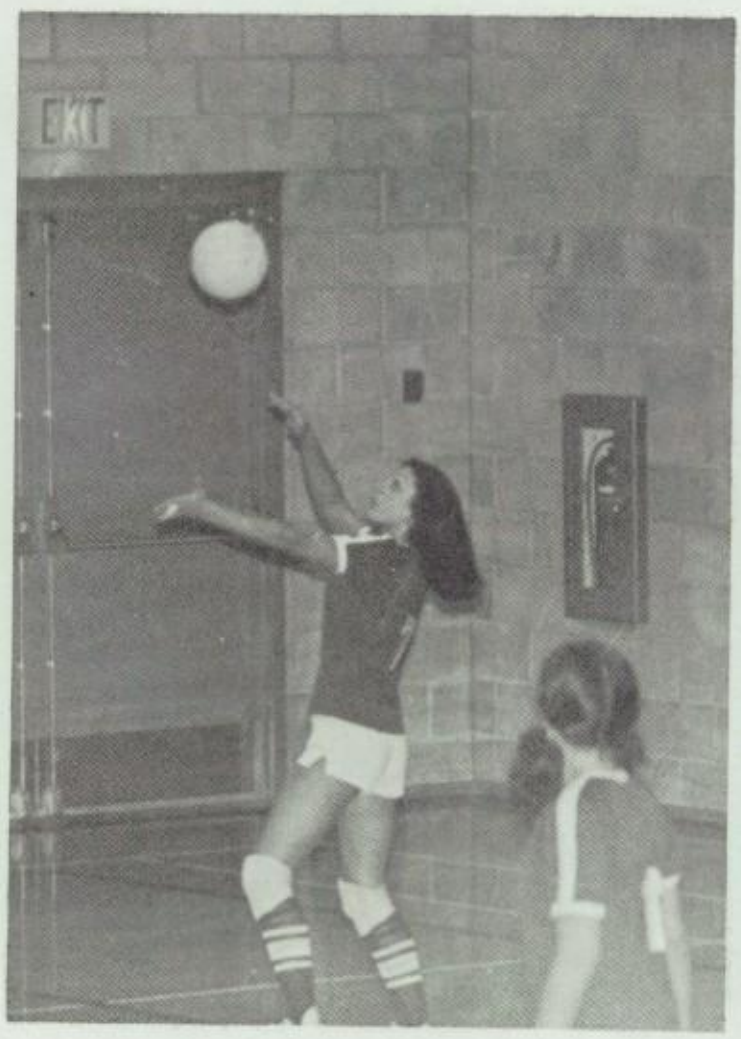
DeeAnn has a big smile on her face as she accepts the trophy at the Colton tournament. This was one of many achievements.



Serving was one of the Warriors many strong points throughout the season.

VARSITY BASKETBALLERS SHOW GROWTH

Lower left: Tim Hurd barely gets his jump shot over big Ranier defender.
Upper right: Jack Burkhart, (with good concentration) leaps high to get his shot over his defensive man.
Lower right: Kelly Smotherman denies a Vernonia cager from his two points.

The Varsity Basketball Team made quite the improvement over last year's season. This time with all veteran players they led the league in first place till the near end where they were dropped to second by losing to Portland Christian. Then by winning their last two games they came back to tie for first place with their Vernonia rival.

This year there was a tournament at Concordia Lutheran College in Portland between the top four Northwest teams. Warrenton played Portland Christian to open playoff competition for the single state playoff seat. The Warriors tired in the fourth quarter to lose their seven point lead and the game. By losing the game they also lost their chance to go to Pendleton. Portland Christian went on to win the tournament.

Next year will be another promising year for the Varsity Basketball Team. They will only lose two seniors, Marty Dawson and Bill Johnson. If they can fill their positions they should be able to take first in Northwest League play.

Upper left: Brian Walker, Bill Johnson, Ray Sutton, and Tracy Miller sit along with assistant Darcy Bjork awaiting their turn to see action.
Middle left: Bruce Watkins again does an excellent job of announcing Warrenton Warrior sports over the radio.

J.V.'S GAIN CONFIDENCE

The Junior Varsity Basketball Team really worked hard this year. With inexperience and some injuries, they had a hard time acquiring a consistent squad.

Though the comparison between wins and losses didn't prove to our advantage, the experience they gained will help out next year's Varsity team.

FRESHMEN BASKETBALLERS TURN OUR WINNERS

The Freshmen Basketball TEam started their high school career with a winning season. Their coach, Jon Mattilla welcomes the victories but thinks at this stage it is more important just to get equal playing time for the individuals.

The team ran more of a slow down offense to get more control over the game. Fastbreaking wasn't a big part of their plan, but when a chance for one arose, they made good use of it.

Next year should be another good season for this team.

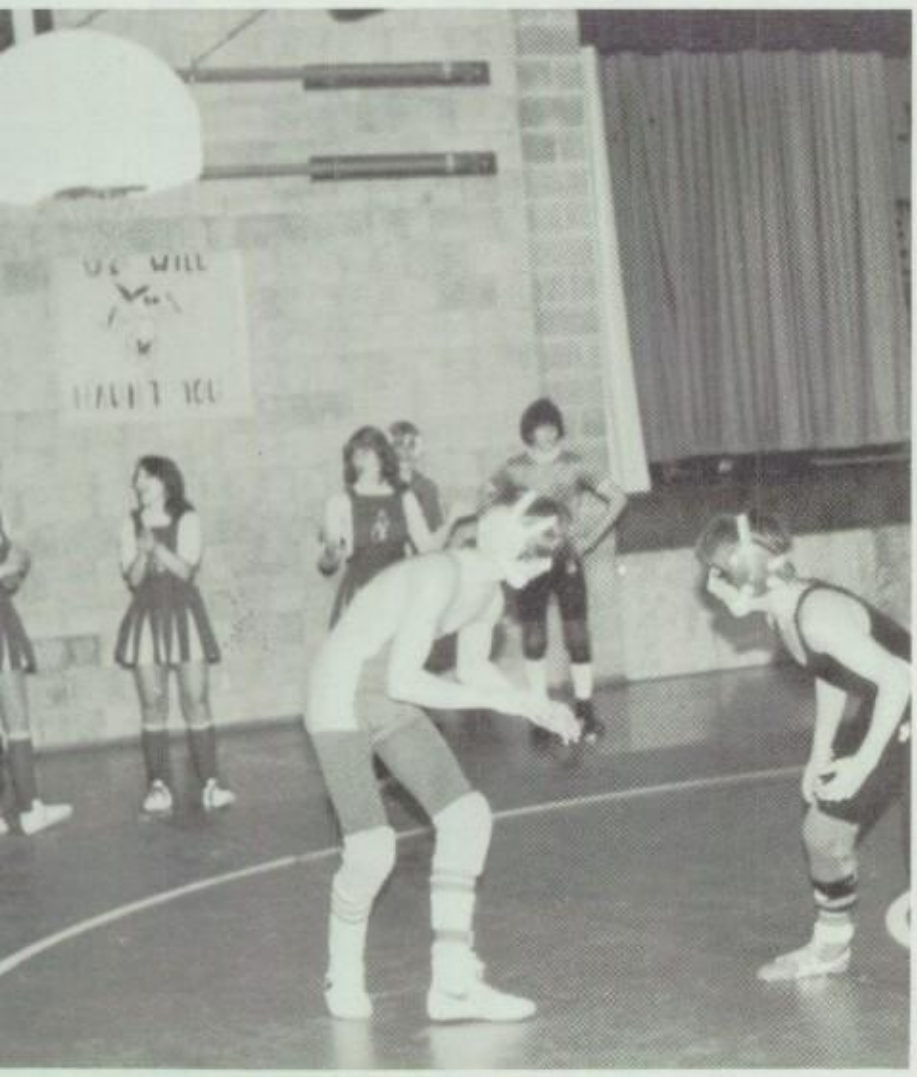
No. 43 Lindy McEwen attempts a free throw shot.

No. 42 Allyson Oakley runs to beat the ball.

WRESTLING CHEERLEADERS



Cheri Horton, Sue Knispel, Carey Schnebly helped make the wrestling season brighter. They helped to get it off on the right foot. The three of them worked together with Mrs. Storts to help make things run smoother. Their uniforms were purple and gold bibbed skirts and a gold turtle necked sweater. The girls worked hard all season. At the beginning of the year they sold candy sticks to help pay for their outfits. They made up a special dance to 'FREE STYLE' for the district pep assembly. When Australia's basketball team came, the cheerleaders helped cheer for our girls' basketball team.

GRAPPLERS YOUNG BUT SHOW PROMISE

The Wrestlers started the season with high hopes and a lot of enthusiasm. Injuries hurt them though as they lost Jon Bergerson, Chuck Rowland, James Beatty and Jeff Davis for most of the season. Still they managed to perform well in all of their meets during the year.

First year interim coach, Chuck Bergerson, did an excellent job in guiding the team. The Warriors placed third in district with Wahtonka taking first and Corbett second. Vernonia was fourth and Lutheran a distant fifth. Gary Abraham, Mike Holmes, Steve Ladd, and Hap Puckett qualified for state as freshmen, and seniors Greg Plummer and Mike Carruthers also made the trip to state. The team displayed rapid growth at the end of the year and will have excellent teams in coming years.

BASEBALL MAKES THINGS HAPPEN THIS YEAR

The Warrenton Warriors Baseball Team had a satisfying year with 15 wins and 13 losses record. Mr. Huddleston and Mr. McBride took ten players over to Eastern Oregon, who got into some early games along with winning a tournament over there. Billy Johnson and James Nichols were the Seniors who led the team in a lot of departments. Juniors are Bill Bauman, Ernie Nichols and Scott Maclean. Sophomores are Scott Brenden, Kelly Nordlund, Kelly Smotherman, Ray Sutton and Brad Hendrickson. The Freshmen are Rick Sutton and Hap Puckett. Warrenton played a lot of underclassman who will be back next year along with a fine J.V. team. Warrenton ended up in second place this year. Warrenton's best game of the year was against Knappa with a 3 to 1 score. There were many heroes who liked finishing in style.

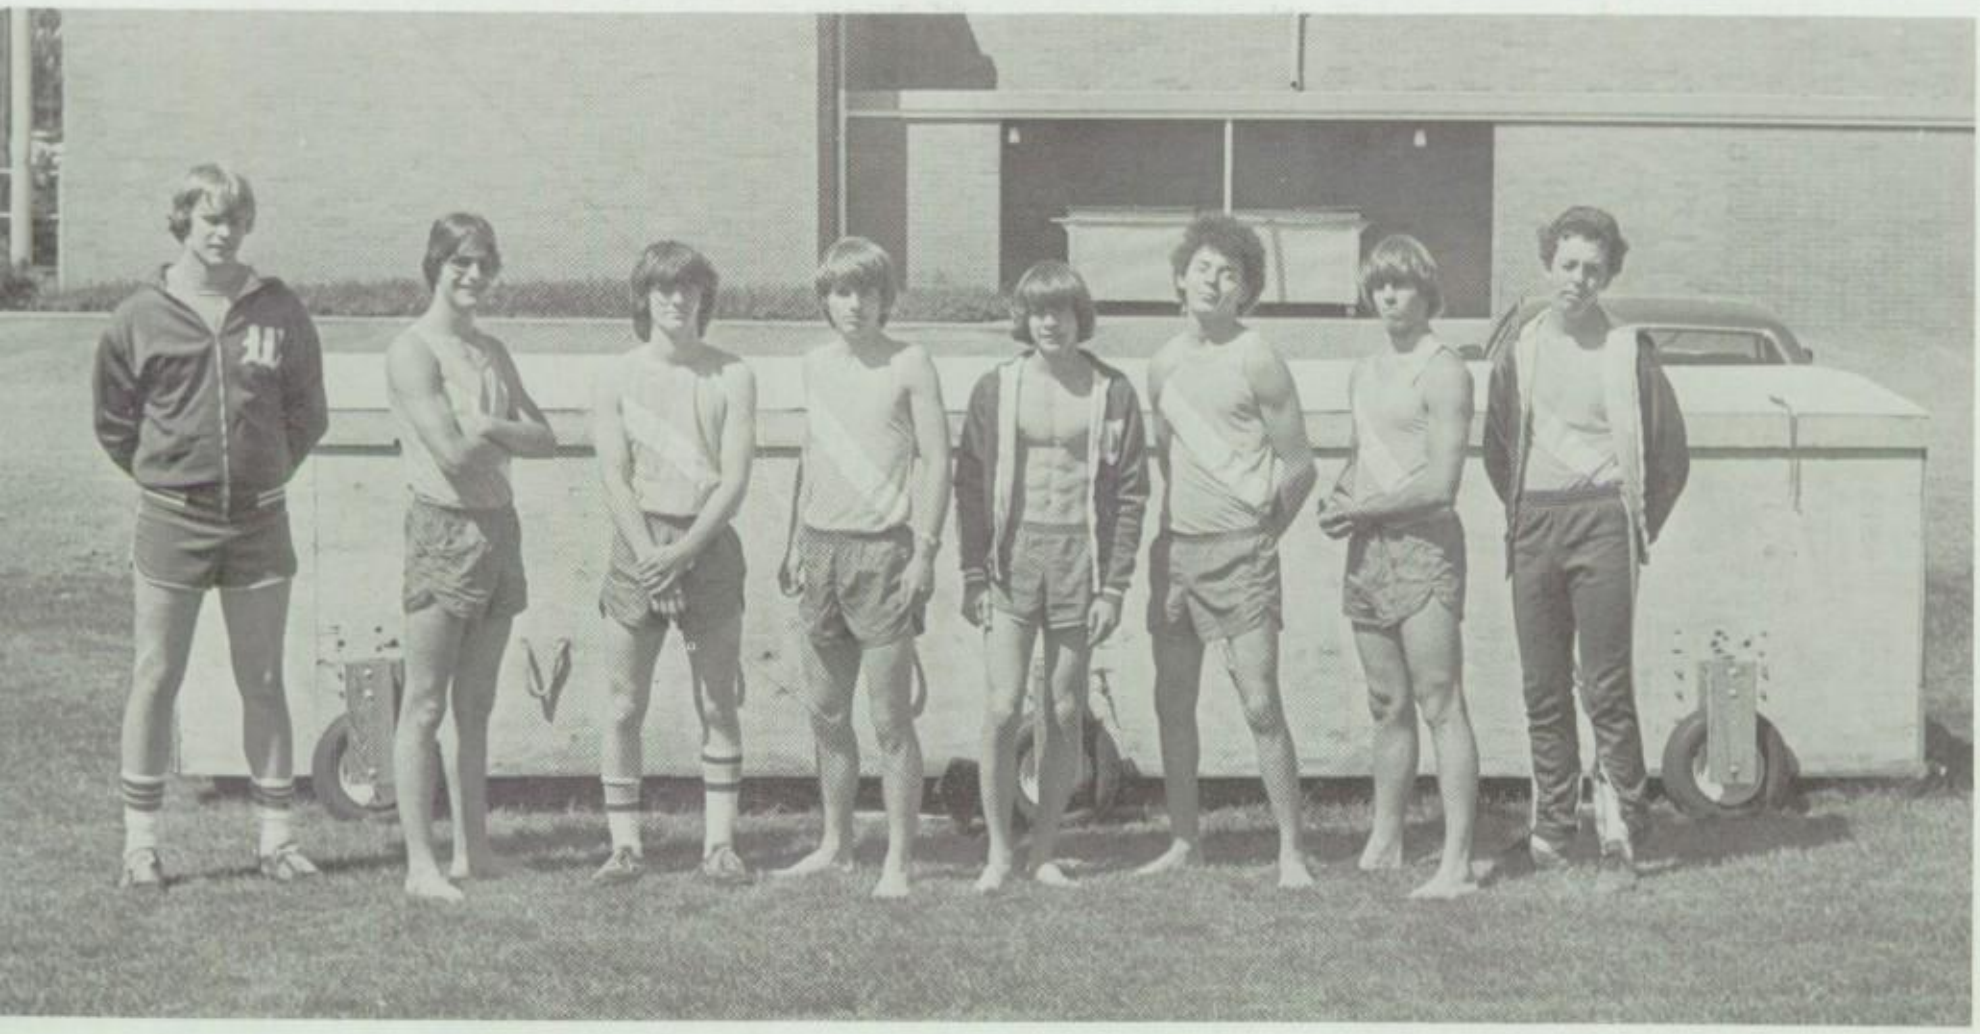
BOYS' TRACK



Team Members; L to R: Roland Johnson, Joe Zimmerman, Joe Cochran, Brad Curnow, Jon Nichols, Paul Rickels, Greg Plummer, and Brock Rickels.

Greg Plummer is in a footrace toward the finish line.

Roland Johnson prepares to unwind with the discus.

It's a race to the finish for the four competitors.

The Warrenton High track team showed a vast improvement from the year before. With only eight people on the squad, they still managed to place second at the Mt. Hood Invitational and scored well in other meets. The Rickels brothers, Paul and Brock, were a major addition to the team. Paul took part in the sprints and Brock specialized in various field events. Directed by second year coach Bob Filori, they were able to defeat teams that were much larger than them.

Three people made it to the state meet at Lewis & Clark College. They were Brock Rickels in the discus, Roland Johnson in the shotput, and Jon Nichols in the pole vault. The 400-relay team placed third at the district meet and the 1600-relay team placed fourth. Greg Plummer took a third in the 400, Paul Rickels a fourth in the 200, and Roland Johnson a fourth in the discus. Roland also set a new school record in the shot at 50-8. At the state meet, Jon Nichols placed fifth in the pole vault with a heighth of 11-6.

Jon Nichols goes up and over at 11-6 for a first place.

Paul Rickels strains to win his race.

Joe Cochran tries to get a good time.

GIRLS TRACK POSTS A FINE SEASON

Girl's track had another outstanding season under the fine coaching of Mrs. Jessie Wallace. The girls competed well and defeated several teams from larger schools with more members. The team consisted of basically the same people as last year's with the exception of a few members who didn't turn out.

Dianne Davis had another fine season as she consistently placed well in the 100, 200, 400 and 400 meter relay races. Kay Hanna also had an excellent year in her throwing events as well as being a member of the returning state champion 400 relay team. Debbie Warren was highly rated in the shotput, and also threw the javelin and the discus. Another senior, Dee Ann McCoy, participated in the high jump and the long jump. She was also called on to run from time to time.

These are the senior members who will be graduating this year. They will be a major setback to the team as they comprised a major part of it. There will still be enough returning letter winners and state placers to keep the winning tradition going for Warrenton's girls track team.

Several of the Warrior girls placed at the state track meet. These included Susan Gramson placing first in the 800, and Cynthia Shepherd first in the long jump. Placing second were the relay team, Cynthia in the 100, and Dianne in the 200. Third placers were Dianne Davis in the 400.

SOFTBALL CAPTURES EYES

Top left show Dick Storts coaching first base. Top right has Robin up at bat. Bottom left has some of the team watching the action. Bottom right has Kari Hurd just getting a hit.

It was the first year for Softball here at Warrenton and Warrenton ended up with a winning record Mrs. Storts led ten girls who played tough all year. Robin Searle was the only senior this year and helped a lot. Jami Wright, Jama Hulon and Leanne Mullins were the juniors. Kari Hurd along with Kenna Kay Dunn, Julie Ensor, Debbie Adams, Kelly Johnson and Jill Moorman were the underclassmen. Dick Storts helped out and Both Mr. and Mrs. Storts enjoyed the season as much as the girls.

AUSTRALIAN TEAM VISITS SCHOOL

Gawler Lions a touring club from Australia who came here on January 12. The people who came here a lot of them were kids from different schools all around the area. The club has four teams for over here two of them are girls team and two of them were boys. It was good competition for the Lions who won two of three games from the Warriors. The group was picked up from the highschool about 2:30 in the afternoon and then came back for a pot luck that night. The next day they went on a field trip to visit Fort Clatsop. We played them that night and they left the next morning. It was fun for all people involved who learned some different slang and we did pick some of their slangs good enough to use them.

In the upper left three Adults of the bunch pose for a picture. In the upper right one of the basketball players stands while Warriors watch the action. Center picture sees one taking the ball out of bounce after a score by the girls. Center right sees the closeness and smiling faces of the Australians. Bottom picture shows how camera shy they are.

Many questions were asked how they were going to stay here with the warriors. As soon as they got here we knew that we had the room for all of them and more. The players kept the players and our teachers kept the Adults. A few of the teachers and their guest went for a boat ride in the Columbia River. When they were at the guest's houses it did make a couple of problems like what they want to eat, and what things they like to do. It was a learning thing that we would do again.

Upper left is Mary Stratton along with her guest watching the game. Upper right is ex-Warrenton Teacher Herb Lommen enjoying lunch. Middle left is a young aussie posing for his picture. Next to him two of his buddies selling programs at the game. Darrell Sutton and his guest along with Eric Huddleston enjoying last memories of their stay with each other.

WELDING

To become a certified welder can be a long and tedious chore. First you must take a welding class from Mr. Moon for 1 1/2 to 2 years, depending upon how fast you can finish his progress charts. To become a certified welder there are two plates to pass; the vertical and overhead plates. Plates are 3/8'' X 5'' X 5'' and are beveled at 30 degrees. These plates are welded solid and then take a bend test of 180 degrees. Students send their plates to a testing lab, Northwest Testing in Portland to look for flaws and check for strength. There are two certifications available to the students. One is the mild steel and the other is the 7613 Low Hydrogem. Four of this years students passed both of the certifications and 7 students passed the mild steel.
